Where are our existing resources?

PERPETUAL.

① Insufficient health Staff in Personel Bamessing.

② Portable water crisis in Bamess

③ Floods of (river) Munkie Stream.

④ Prevalence of Malaria in Bamessing.

① Early and forced Marriage in Bamessing.

② — High rate of drug intake by the youth

③ — Gambling by the youth
↳ High crime wave.

④ — Rape

☒☒ Violence in School

⑤ — Domestic Violence

Training: Video, Arts, Theater, Photography

Qualitative research, opinion gathering

Video-making on key themes

Art work on more sensitive issues

Community gatherings, discussions

They just tell you to attend school, but don't give you tuition.

Dialogue with traditional councils

Action & funding by local government

Rural youth voices in virtual spaces

Advocating globally

Early outcomes

Individual:
    leadership, ownership, better gender balance

Community:
    water project, cholera prevention, drop-outs

National:
    youth agenda, new method for better governance

Global:
    real people telling own story, advocating
